

EXPLORER

1983

THE SENIOR CLASS PROUDLY PRESENTS THE 1983 EXPLORER

Long Live Blue & Grey

Once again, time has passed by,
Another year is done.
We've all become much closer friends.
It's been a lot of fun.

We've learned together, grown together,
And now we understand
We've done things no-one else has done
Because we've done them hand-in-hand.

Our unity has made Marquette
The school it is today.
Let's hope Explorers yet to come
Will always stay this way.

So, Marquette, let's keep it up
Stand together all the way!
We know Marquette is number one,
So long live Blue & Grey!

ACTIVITIES

CAMPUS MINISTRY

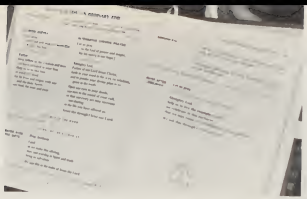

The Campus Ministry is a new addition to Marquette High School. The reason for this room is so that the students can have the chance to talk to either Sr. Cindy, Sr. Brendan, or Mr. Serio. Or even when they wish to talk to other fellow students. The three faculty members are people who are willing to try to help others. This room is not just a tenuous place to ignore. It can be helpful to you and to others.

AWARDS

John Keshner was a Marquette football player. He collapsed in 1963 on a football field and later died.

The John Keshner award is voted on by the varsity football team. It is given to the player who has shown leadership, athletic ability, discipline and desire. This year the John Keshner award goes to Jack Wickenhauser.

The D.A.R. award is nominated by the senior class and is voted on by the faculty. The award is based on a senior who demonstrates outstanding citizenship, academics, leadership, of school and the student body. This year the Daughters of the American Revolution award goes to Lori Mossman.

The Scholar Athlete award originates from the St. Louis Post-Dispatch. It is based on a high grade point average and it goes to an athlete of two or more sports with high athletic skill. This year the Scholar Athlete award goes to Mark Mancewicz.

JETS

The Marquette JETS Team took part in an academic competition in our district Saturday. The members of the team were: Jim Donnelly, Pete Fitzgerald, Jim Folsom, Matt Gibbons, Jim Hartman, Tammy Holt, Mark Hopper, Sam Kramer, Lori McCrea, Lori Mossman, Pravin Ruktasiri, and Sue Schneider.

Individual award winners were:

Pete Fitzgerald — 1st Place in Chemistry
Tammy Holt — 3rd Place in English
Lori McCrea — 1st Place in English
Matt Gibbons — 3rd Place in Graphics
Pravin Ruktasiri — 3rd Place in Math
Jim Hartman — 3rd Place in Math
Pete Fitzgerald — 3rd Place in Physics
Mark Hopper — 1st Place in Physics

The team received second place in team competition, losing to Carlinville by 1%. Congratulations, JETS, we are very proud of you.

Just four years ago,
We walked into Marquette — a little scared and shy!
But time has ran so very rapid . . .
Can you believe it's time to say, "Goodbye"?

Our highschool days are coming to an end,
Graduation is creeping up on us fast,
The fun of being a highschooler . . .
Will soon become a part of our past.

Although we must deal with our future,
And go in our separate ways,
I'm sure all of us will keep . . .
A memory of our funfilled highschool days!

Soon it will be over,
Friends will tend to drift away,
The highschool fun and games we've had . . .
Belong to yesterday.

One final word to my fellow class-mate,
I hope some day I'll see you again,
We've been together through a lot these four years . . .
It's a shame it must end.

And to you my dear friend — I'll never forget you!
I wish you happiness and hope you do well,
So goodbye my friend, I'll miss you!
Goodluck and Farewell!

B.K.
